

Wireframes

HOME PAGE -

The wireframe for the home page is contained within a light gray rectangular area. At the top left is a circular logo with a stylized 'Y' and 'Q' icon next to the text "BookTable". To the right are two rectangular buttons: "log in" and "sign up". Below this is a horizontal line. In the center-left, the text "Book Your Perfect Table" is displayed in a large, bold, sans-serif font. A thin horizontal line is positioned below the title. To the right of the title is a rounded rectangular search form. It contains three input fields with accompanying icons: a location pin for "Where do you want to dine", a calendar icon for "When?", and a people icon for "How many people?". Below these fields is a large, rounded rectangular button labeled "Find Restaurants".
